

FALL INTO A NEW YOU

- **Only Violet Laser on the Market**
- **Precision Fat Reduction, Pain-Free**
- **Results Worth Celebrating This Autumn**

Grateful for Breakthroughs

This season of gratitude, celebrate innovation that transforms. The body contouring industry has officially changed — all thanks to the Zerona® VZ8, the world's first violet fat loss laser.

Using 8 precision laser heads, the VZ8 targets fat cells beneath the skin, creating a temporary opening that allows fatty liquids to naturally drain through your lymphatic system. Contact our team today to start your Zerona® VZ8 journey.
